EDUCATION

Graduate of Stanford University, School of Engineering – Design | September 2022 – June 2026

Harvard University – Summer College (GPA: 4.0) | Summer 2020

LEADERSHIP & SOCIAL IMPACT

Founder & CEO, Tough Kids Boot Camp | January 2021 – Present

- Founded Tough Kids Boot Camp (TKBC), a 501(c)(3), which focuses on leadership, discipline, and crisis de-escalation for at-risk teens. Partnered with Boys & Girls Club of America and Lee County Sheriff's Office.
- Raised \$100,000 to fund a refugee camp for orphans, and served as the Athletic Director for a six-week program in Ternopil, Ukraine.

Founder & President, Students Supporting Ukraine (SSU) | February 2022 – July 2025

- Founded a Stanford student organization coordinating support for Ukraine.
- Led grassroots and institutional fundraising through outreach, speaking at churches and schools, and hosting events with speakers from the Ukrainian President's Office and Government. The project raised \$2,000,000.

EXPERIENCE

Marine Corps Platoon Leaders Class Juniors (PLC-Jrs) Candidate, Quantico, VA | Summer 2025

- Completed a rigorous leadership screening and evaluation program assessing moral, mental, and physical fitness for commissioning as a Marine Corps officer.
- Received "Iron Man" award for exhibiting the highest level of fitness in a Company of 300 PLC Candidates.

Executive Intern, Kyivstar Ukraine | July 2024

- Served as Executive Assistant to the CEO. Conducted interviews with department heads and reported on organizational structure, leadership styles, and cross-functional decision-making during wartime operations..

Co-Founder & Vice President, RnR Off-Road | March 2020 – June 2022

- Built an operations and sales business generating \$150,000 in annual revenue.

Engineering Intern, Aurora Defense Industries | Summer 2019

- Supported defense engineering workflows, including prototyping and additive manufacturing.
